The economy fixed wall mount can accommodate most 37"-70" LED, LCD Flat Panel TVs with a maximum weight of 50kgs/110lbs. Slim design sits just 25mm from wall to complement the sleek look of ultra-thin TVs. Its automatically click-in spring lock with easily-release cord easily and securely attaches your flat panels to wall. Simple construction enables easy installation. Lateral shift allows the TV to move left and right on the wall plate so it's placed exactly where you want it. In addition, TV brackets easily snap into place on the wall plate for added safety and security.
